1. INTRODUCTION

The Government of India established the National Board of Examinations (NBE) in 1975 with the objective of improving the quality of the Medical Education by establishing high and uniform standards of postgraduate examinations in modern medicine on an all India basis and utilizing existing infrastructure for capacity building.

NBE at present conducts postgraduate and postdoctoral examinations in approved specialties leading to the award of Diplomate of National Board. The Medical Council of India has laid down standards for postgraduate examinations conducted by various medical colleges and affiliated to concerned universities and other institutions, yet the levels of proficiency and standards of evaluation vary considerably in these institutions.

The Examinations conducted by NBE provide a common standard and mechanism of evaluation of minimum level of attainment of the knowledge and competencies of medical specialties. Moreover, intra country and international comparisons are facilitated with the availability of common evaluation mechanism.

RECOGNITION OF DNB QUALIFICATIONS

The Nomenclature of the qualification awarded by the National Board of Examinations is "Diplomate of National Board". The list of recognized qualifications awarded by the Board in various Broad and Super specialties as approved by the Government of India and included in the First Schedule of IMC Act 1956 is as given in Annexure-I A.

As per the Indian Medical Council Act 1956; the power to recognize medical qualification and determine their equivalence rests with the central government.

The Diplomate qualifications awarded by the National Board of Examinations are equated with the postgraduate and post doctorate degrees awarded by other Indian Universities for all purposes including appointment to teaching posts as lecturer/Assistant Professor by the Government of India, Ministry of Health and Family Welfare; vide their notifications issued from time to time.

The holders of Board's qualification awarded after an examination i.e. DNB are eligible to be considered for specialist's post/faculty in any hospital including a training/teaching institution on a teaching post/as a faculty member.

Diplomate National Board qualifications are well recognized and accepted as high standard specialist qualifications.

Note : Possession/Use of Mobile Phones/Electronic Devices is strictly prohibited in the premises of NBE Examination Centres. Candidates Shall be liable for penal action for Possession/Use of Mobile Phones/Electronic Devices.

भारत सरकार ने 1975 में राष्ट्रीय परीक्षा बोर्ड की स्थापना की थी। इसका प्रमुख उद्देश्य अखिल भारतीय आधार पर आधुनिक मेडिसिन में स्नातकोत्तर परीक्षाओं के उच्च एवं एकसमान मानक स्थापित करने के जरिए मेडिकल शिक्षा की गुणवत्ता सुधारना तथा वर्तमान ढांचे का सदुपयोग करते हुए क्षमता वृद्धि था।

फिलहाल यह बोर्ड नेशनल बोर्ड का डिप्लोमेट प्रदान करने के लिए बोर्ड द्वारा अनुमोदित विषयों में स्नातकोत्तर और पोस्ट डॉक्टरल परीक्षाएं आयोजित करता है। भारतीय चिकित्सा परिषद ने विभिन्न मेडिकल कालेजों और संबंधित विश्वविद्यालयों से संबद्ध और अन्य संस्थाओं द्वारा आयोजित स्नातकोत्तर परीक्षाओं के लिए मानक स्थापित किए हैं, यद्यपि इन संस्थाओं में प्रवीणता के स्तर और मूल्यांकन के मानक उल्लेखनीय रूप से भिन्न हैं।

मेडिकल संस्थाओं में शुरू किए गए स्नातकोत्तर पाठ्यक्रमों को हासिल करने के लिए मूल्यांकन के न्यूनतम स्तर के सांझा मानक और तंत्र उपलब्ध कराने के इरादे से स्नातकोत्तर मेडिकल परीक्षा आयोजित कराने के लिए राष्ट्रीय निकाय स्थापित किया गया था। इसके अतिरिक्त, डीएनबी जैसे सांझा तौर पर स्वीकार्य मूल्यांकन तंत्र की उपलब्धता के साथ अंतर-देशीय और अंतर्राष्ट्रीय तुलना सुगम की गई है। डिप्लोमेट आफ नेशनल बोर्ड अन्तिम परीक्षा का आयोजन अखिल भारतीय स्तर पर मानकीकृत स्वरूप के अनुसार करती है।

Mh, uch ; kx; rkvka dks ekU; rk

राष्ट्रीय परीक्षा बोर्ड द्वारा प्रदत्त योग्यता की परिभाषा 'fMlykeV vKID us'kuy ckMz' है। भारत सरकार द्वारा अनुमोदित विभिन्न व्यापक और सुपर स्पेशलिटीज में बोर्ड की तरफ से प्रदान की जाने वाली मान्यता प्राप्त योग्यताओं की सूची तथा भारतीय चिकित्सा परिषद् अधिनियम 1956 की पहली अनुसूची में शामिल योग्यताओं की सूची vuyXud&1, में दी गई है।

राष्ट्रीय परीक्षा बोर्ड की ओर से प्रदान की जाने वाली डिप्लोमेट योग्यताओं को भारत सरकार के स्वास्थ्य एवं परिवार कल्याण मंत्रालय की ओर से समय-समय पर जारी अधिसूचनाओं के अनुसार लेक्चरर/सहायक प्रोफेसर जैसे शैक्षणिक पदों पर नियुक्ति सहित सभी उद्देश्यों के लिए अन्य भारतीय विश्वविद्यालयों की स्नातकोत्तर और पोस्ट डाक्टोरेट उपाधियों के साथ मान्यता दी गयी है।

परीक्षा के बाद बोर्ड की योग्यता के धारक अर्थात् डीएनबी शैक्षणिक पद/संकाय सदस्य के रूप में प्रशिक्षण/शिक्षण संस्थान सहित किसी अस्पताल में स्पेशलिस्ट के पद/संकाय के लिए योग्य माने जाते हैं।

डिप्लोमेट नेशनल बोर्ड योग्यताएं पूर्ण रूप से मान्यता प्राप्त हैं तथा विश्व स्तर पर स्वीकार की जाती हैं।

Ministry of Health & Family Welfare
(Department of Health & Family Welfare)

New Delhi, Dated the 1st June, 2006

To

The Health Secretaries of all States/U.T.s

Sub: D.N.B. qualification awarded by the National Board of Examinations-
Equivalence of Board's qualification for appointment as teachers-
Regarding

Sir,

I am directed to invite your kind attention to this Ministry's letter No. V.11025/6/94-ME(UG), dated 2.10.1994 (copy enclosed) on the above mentioned subject wherein it was stated that due importance to NBE qualifications may be given and the same may be treated at par with MD/MS degrees of Indian Universities or all posts, including teaching posts as National Board of Examinations is an autonomous body directly under the control of the Central Government and is keeping high standard of medical education. It was also provided their in that for teaching appointments in Broad specialities, the holder of Diplomate NBE should have at least one year teaching experience as Tutor/Registrar/ Demonstrator or equivalent post in a recognized medical college imparting undergraduate training to be eligible for appointment as Lecturer, and the holder of Diplomate NBE in Super-Specialities is required to undergo training for two years in a recognized medical college having recognized postgraduate medical degree in the concerned speciality to be eligible for appointment as Lecturer.

2. The Government has reviewed in detail the issue of the above requirement of additional one/two years teaching experience for DNB degree holders for appointment as Lecturer in Broad Specialities/Super-specialities. After taking into consideration all facts of the matter, the Government has come to the conclusion that for the purpose of appointment of DNB degree holders to the teaching posts, the requirement of additional one/two years teaching experience as stipulated in the above instructions dated 3.10.1994 needs to be discontinued. Accordingly, these instructions stand amended to this extent.

3. It was also brought to the notice of this Ministry that some of the employing organizations are not considering the medical qualifications awarded by the National Board of Examinations as equivalent to MD/MS, DM/M.Ch. degrees awarded by various other universities for appointment to various posts. The advertisements issued for specialist/faculty positions by various recruiting agencies thus do not invited applications from the holders of the DNB qualifications. As clarified in the above instructions dated 3.10.94, it is reiterated that the medical qualifications awarded by NBE are recognized qualifications included in the First Schedule to IMC Act, 1956 and are considered at par with MD/MS, DM/M.Ch qualifications of other universities.

4. It is therefore requested that the above position may please be brought to the notice of recruiting agencies under your control that while advertising for various positions for which MD/MS, DM/M.Ch. qualifications are required, it may also be specifically mentioned therein that those candidates possessing the DNB qualifications are also eligible to apply for such positions. Further, in view of the above decision to discontinue the requirement of teaching experience of one/two years for those having Diplomate NBE qualifications in broad/super-speciality disciplines for appointment to teaching posts, the candidates possessing the DNB qualifications may be considered for appointment to teaching posts as Lecturer in speciality/ super speciality disciplines without insisting on the additional teaching experience.

Yours faithfully,

Sub: NBE qualifications awarded by the National board of Examination-
Equivalence of

Sir,

I am directed to say that medical qualification awarded by the National Board of Examinations are included in the First Schedule to the Indian Medical Council Act, 1956 and are considered at par with Postgraduate Medical qualifications of the Indian universities. However, it has been brought to our notice that employing organizations are not recognizing these degrees at par with MD/MS degrees of other universities. As the National Board of Examinations, an autonomous body directly under the control of the Central Govt., is keeping high standard of medical examinations and it is requested that all concerned may please be instructed to give due importance to NBE qualifications and treat them at par with MD/MS of Indian Universities for all posts, including teaching post.

The Medical Council of India while considering the question of equivalence of MAMC/MNAMS/Dip. N.B. qualification awarded by the National Board of Examinations with M.D./M.S. and D.M./M.Ch. qualifications granted by the university/medical Institutions, has adopted the following recommendation, which was circulated to all the authorities concerned by the Council on 6.12.93 for information and necessary guidance:

It is recommended that for teaching appointments in the broad specialities the holder of Diplomate NBE should have at least 1 year teaching experience as Tutor/Registrar/Demonstrator or equivalent post in a recognized medical college imparting undergraduate teaching and training for appointment as Lecturer. Regarding the candidates holding Diplomate NBE in super specialities, the training shall be for 2 years in a recognized medical college having recognised postgraduate medical degree in the concerned speciality for appointment as Lecturers”

It is requested that the above may please be brought to the notice of all recruiting agencies under control for information and compliance.

Yours faithfully,

Sub: Conducting of DNB courses at medical colleges/institutions-Regarding
Sir,

I am directed to say that this Ministry vide letter of even number dated 17th August, 2004 communicated its decision that the medical institutions in the country running post-graduate/super-speciality courses permitted/ recognized as per MCI norms, are permitted to run DNB programmes provided they have additional faculty to train DNB candidates. The position was also reiterated vide letter dated 19th September, 2005 addressed to various Health/Medical Education Secretaries of all the States/UTs to admit DNB trainees in various PG/Super-Speciality courses provided they have additional faculty since it was brought to our notice that the medical colleges are not being able to start the DNB courses even though they had additional faculty. This was primarily with a view to ensuring optimal utilization of manpower and the clinical load, which is available in various medical colleges for production of quality manpower. This letter was based on MCI's stand in the matter as contained in their letter no.22(1)/96-Med/14368 dated 17.9.1996 that it would not have any objection in introducing DNB courses in medical institutions in the concerned departments provided the PG teachers of the respective departments admitting students under them for MD/MS/DM/M.Ch. courses may not register students under them for DNB Courses simultaneously.

It has now been brought to our notice that the MCI vide their letter dated 11.11.2005 addressed to various Universities, Directors of Medical Education of all State Governments/UTs, Secretaries of health/Medical Education Departments of all the States etc, interalia, informing them that it may be made sure by them not to conduct DNB and other parallel courses i.e. CPS etc. in any subject along with MD/MS/DM/M.Ch./PG Diploma courses wherever the intuitions have been permitted/recognized to conduct MD/MS/DM/M.Ch. and PG diploma courses. It has also been stated therein that the decision has been taken by the PG Committee and the same ahs been communicated to all concerned. This is contrary to the stand taken by this Ministry in this regard. In this connection,

it is also to be stated that any decision taken by the PG Committee of MCI, including those with regard to the policies, is only recommendatory in nature and requires the approval of the Council and the Government. In the present case, if the PG Committee/the Council considered that the earlier policy of allowing DNB courses to be run parallel to MD/MS etc. in medical colleges requires any change, the Council should have sent such proposal along with reasons for the proposed change of their stand to the Government for its consideration particularly when the Central Government have issued instructions to all concerned allowing conduct of DNB courses along with MD/MS etc. subject to availability of additional faculty, it is pertinent to point out that the copy of the instructions of the Central Government dated 19.9.2005 was also specifically endorsed to the Acting President of MCI for their information. Accordingly, MCI may send the recommendation of the PG Committee along with detailed reasons for change of their earlier stand in regard to allowing DNB courses to be run in medical colleges along with MD/MS/DM/M.Ch./PG Diploma courses against excess faculty to the Government for consideration.

Issue of this communication dated 11.11.2005 by the MCI directly to various agencies including State Governments contrary to the instructions issued by the Central Government based on the MCI's earlier stand on the matter is not only not appropriate but has also created confusion in various institutions/State Governments. Till such time as the Government takes a final decision on the PG Committee recommendations, the Government instructions as contained in letter dated 19th September, 2005 will remain in force. A copy of this letter is being sent to all concerned
