**ANNEXURE 'A' (i)****Screening Test Regulations, 2002**

(Published in Part III, Section 4 of the Gazette of India
Extra-ordinary issue dated the 18th February,2002)

MEDICAL COUNCIL OF INDIA**NOTIFICATION**

New Delhi dated the 13th February,2002

No. MCI-203 (9)/2001-Regn/

In exercise of the powers conferred by section 33 of the Indian Medical Council Act, 1956 (102 of 1956), the Medical Council of India, with the previous sanction of the Central Government, hereby makes the following regulations, namely: -

1. Short title and commencement –
 - (1) These regulations may be called the Screening Test Regulations, 2002.
 - (2) They shall come into force on the date of their publication in the Official Gazette.
2. Definitions:- In these Regulations, unless the context otherwise requires,-
 - a. "Act" means the Indian Medical Council Act,1956 (102 of 1956);
 - b. "Council" means the Medical Council of India constituted under section 3 of the Act;
 - c. "Permanent Registration" means registration for the purpose of enrolment on any State Medical Register or Indian Medical Register after obtaining the Primary Medical qualification followed by completion of such practical training as prescribed either in India or abroad as per the provisions of the Act;
 - d. "Prescribed" means prescribed by regulations made under this Act;
 - e. "Prescribed Authority" means a medical institution or any other examining body authorized by the Central Government/Medical Council of India to conduct Screening Test.
 - f. "Primary Medical qualification" means a medical qualification awarded by any medical institution outside India which is a recognized qualification for enrolment as medical practitioner in the country in which the institution awarding the said qualification is situated and which is equivalent to MBBS in India;
 - g. "Provisional Registration" means provisional registration in a State Medical Register or Indian Medical Register for the purpose of undergoing practical training in India

नोट : एनबीई परीक्षा केन्द्रों में मोबाइल फोन/इलेक्ट्रॉनिक उपकरणों का रखना/प्रयोग करना पूर्णतया प्रतिबन्धित है।
उसी प्रकार मोबाइल/इलेक्ट्रॉनिक उपकरणों को पाठ रखने/प्रयोग करने के लिए दृश्य-श्रवण कार्डों को उलटवारी होने।

as prescribed and for no other purpose by an Indian citizen possessing any primary medical qualification but has not undergone such practical training after obtaining that qualification as may be required by the rules or regulations in force in the country granting the qualification;

h. "qualifying examination" means the examination to be qualified to become eligible for admission to MBBS course in India as prescribed in the Graduate Medical Education Regulations, 1997.

i. "registration" means either Provisional Registration or Permanent Registration.

3. An Indian citizen possessing a primary medical qualification awarded by any medical institution outside India who is desirous of getting provisional or permanent registration with the Medical Council of India or any State Medical Council on or after 15.03.2002 shall have to qualify a screening test conducted by the prescribed authority for that purpose as per the provisions of section 13 of the Act: Provided that a person seeking permanent registration shall not have to qualify the screening test if he/she had already qualified the same before getting his/her provisional registration.

4. **Eligibility Criteria:** No person shall be allowed to appear in the screening test unless:

1. he/she is a citizen of India and possesses any primary medical qualification, either whose name and the institution awarding it are included in the World Directory of Medical Schools, published by the World Health Organisation; or which is confirmed by the Indian Embassy concerned to be a recognised qualification for enrolment as medical practitioner in the country in which the institution awarding the said qualification is situated;
2. he/she had obtained 'Eligibility Certificate' from the Medical Council of India as per the 'Eligibility Requirement for taking admission in an undergraduate medical course in a Foreign Medical Institution Regulations, 2002'. This requirement shall not be necessary in respect of Indian citizens who have acquired the medical qualifications from foreign medical institutions or have obtained admission in foreign medical institution before 15th March, 2002.
5. The purpose of conducting the screening test shall be only to determine the eligibility or otherwise of a candidate for his or her registration with the Medical Council of India or any State Medical Council and qualifying the same shall not confer any other right, whatsoever, on a candidate.
6. The details regarding the Scheme for conducting the screening test and the syllabus of the test shall be announced by the Medical Council of India from time to time for the information of the candidates.

7. The screening test shall be conducted twice every year as per the Schedule of examination announced by the Prescribed Authority. The procedure of conducting the test shall be in accordance with the Scheme announced by the Medical Council of India in this regard.
8. There shall be three papers of multiple choice questions in Pre-Clinical, Para-Clinical and Clinical Medicine and its allied subjects including Obstetrics and Gynaecology. The language of the test shall be English. The test for each paper will be of three hours duration.
9. A candidate shall be declared as having passed only if he/she obtains a minimum of 50% (fifty percent) marks in each paper separately. The minimum qualifying marks shall apply to all categories of candidates without exception.
10. A candidate may avail of maximum three chances to appear and pass the test. Actual appearance at the test will constitute an attempt. If he/she does not qualify even in his/her 3rd appearance in the test, the candidate will not be eligible for registration by the Council or by any State Medical Council in India.
11. The Prescribed Authority shall intimate the result of the Screening Test to the candidates as well as to the Secretary, Medical Council of India and the State Medical Councils. The unsuccessful candidates shall also be appropriately informed. The candidates who qualify the Screening Test may apply to the Secretary, Medical Council of India, New Delhi or to any State Medical Council for provisional registration/ permanent registration along with the requisite registration fee in favour of Secretary, Medical Council of India or the State Medical Council. The Medical Council of India or the State Medical Councils shall issue provisional registration to such successful candidates, who are yet to undergo one year internship in an approved institution and issue permanent registration to such eligible candidates who have already undergone one year internship, as the case may be.

Subject: Intimation regarding holding of Screening Test for Indian Citizens holding Foreign Medical Qualifications and issue of Eligibility Certificate to Indian candidates going abroad for joining undergraduate medical course in a foreign medical institution - Reg.

Sir,

This is to bring to your kind notice that the Indian Medical Council Act, 1956 has been amended by the Indian Medical Council (Amendment) Act, 2001 under which Regulations have been approved by the Central Govt. and notified in the Gazette of India which provide broadly for the following

1. No new primary medical qualification (equivalent to MBBS in India) granted by any medical institution outside India shall be included in the Schedules to the Indian Medical Council Act after coming into force of the Indian Medical Council (Amendment) Act, 2001 i.e. 3rd September, 2001.
2. A citizen of India possessing a primary medical qualification as defined in the enclosed Screening Test Regulations, 2002 (para 2(f)) granted by any medical institution in any country outside India and who is desirous of getting provisional or permanent registration with the Medical Council of India or any State Medical Council on or after the 15th March, 2002 shall have to qualify a screening test conducted by the prescribed authority.
3. An Indian citizen seeking admission in a foreign medical institution for obtaining a primary medical qualification as defined in the enclosed Screening Test Regulations, 2002 (para 2(f)) on or after the 15th March, 2002 shall be eligible to appear in the Screening Test only if he possesses the eligibility qualification as per the regulations framed by the MCI (for admission to MBBS course in India) – Extracts of Graduate Medical Education Regulations are enclosed for reference.
4. Any person who is desirous of joining an undergraduate medical course in any foreign medical institution on or after 15th March, 2002 should approach the Medical Council of India, New Delhi for issue of Eligibility Certificate for that purpose as per the Eligibility Requirement for Taking Admission in an Undergraduate Medical Course in a Foreign Medical Institution Regulations, 2002. All such candidates will be allowed to appear in the screening test only if they produce the eligibility certificate, after completion of the medical course abroad and if they are eligible to sit for the screening test as prescribed in the Screening Test Regulations, 2002.

A copy each of the following documents are sent herewith for information and necessary action:-

1. Indian Medical Council (Amendment) Act, 2001 (published in the Gazette of India Extra-ordinary issue dated 3rd September, 2001).
2. The Screening Test Regulations, 2002 (published in the Gazette of India Extra-ordinary issue dated the 18th February, 2002).
3. The Eligibility Requirement for Taking Admission in an Undergraduate Medical Course in a Foreign Medical Institution Regulations, 2002.
4. Extracts of Graduate Medical Education Regulations – Regarding Eligibility requirement for admission to medical course in India.

It is requested that wide publicity may please be given to all Foreign medical institutions conducting medical courses leading to the award of primary medical qualification as defined in the enclosed Screening Test Regulations, 2002 (para 2(f)) (equivalent to MBBS) in the foreign country concerned as well as the concerned Ministries/departments of the Govt. of the foreign country, the concerned Medical Council or equivalent authority for recognition of medical qualifications/grant of permission to practice medicine in that country so that all Indian students already undergoing training/medical course for obtaining primary medical qualification in any institution in the foreign country are properly apprised of the Regulations so that they may approach the prescribed authority for appearing in the screening test only if they fulfill the requirements prescribed in the Regulations and the scheme for conducting the screening test. It will be appreciated if an acknowledgement is sent to this Council along with a report on action taken, for the information of this Council. The above details are also available in the MCI website: www.mciindia.org.

Yours Faithfully
