Public Notice

No. NBE/ED/2010/3089-9140

Dated: April 20th, 2010

**Kind Attention: All Accredited Hospital(s)/Institution(s)/Candidates
Sub: Admission to DNB - Super specialty Courses - Jan 2010 session**

As per existing guidelines of NBE, for admission to DNB programme, admission to DNB S.S. courses shall be made by accredited hospitals/institutions to the candidates who have qualified the CET SS and are in possession of valid marks sheet/score for the same.

However, the admission to DNB course shall be made by the accredited hospitals strictly on the basis of merit determined by marks obtained in the CET SS courses, of the applicant candidates.

A detailed scheme /Guide Lines in this regard are contained in Information Bulletin of CET SS which is available at Website: www.natboard.edu.in

As per recommendations of expert committee duly approved by Ministry of Health & Family Welfare and competent authority of NBE, a session of CET SS examination was conducted on 18th April, 2010 and the last date for admission to DNB Super specialty Courses has been extended upto 30th April, 2010. The result of the CET SS has been declared on 20th April 2010.

It has also been approved that direct 6 years (post MBBS) course in the following Super Specialties are also permitted:

- a) DNB Plastic Surgery
- b) DNB Neurosurgery
- c) DNB Pediatric Surgery
- d) DNB Cardiothoracic Surgery (CTVS)

Hospitals/Institutions that are recognized for DNB SS courses in the above specialties can also enroll post MBBS direct 6 years candidates against the accredited seats in the above specialties. However, it shall be strictly ensured that the prescribed training is provided to such candidates.

All NBE accredited hospitals/institutions are hereby informed to take further necessary action to admit candidates as per prescribed scheme/rules against the vacant seats (if any) and complete the admission process latest by 30th April 2010.

Executive Director
