

Clinical Surgery Update 2013

Surgery Department, Tata Main Hospital, Jamshedpur
4th July to 7th July 2013

Tata Main Hospital, Jamshedpur is a 850 bedded hospital which is more than a century old. Surgery Department of Tata Main Hospital is a academically vibrant department where high end trauma and cancer surgeries are performed besides the benign disease surgeries. DNB program is an ongoing training program for Post-graduate students and the department is committed for the best training opportunity for these young surgeons. The "Clinical Surgery Update 2013" is an attempt to update the surgical knowledge and skills of all Surgery Post-graduate students and young surgeons in this area.
