NOTICE FOR FMGE CANDIDATES

20th September 2008

In compliance with directions of Hon’ble Supreme Court NBE is conducting Screening Test on behalf of Ministry of Health and Family Welfare in accordance with various Regulations framed by Medical Council of India under section 33 of the Indian Medical Council Act 1956 with the previous sanction of the Central Government.

The Screening Test Bulletin of Information for September 2008 clearly reads-

“5 Incomplete applications or applications not in accordance with instructions will not be considered and declared ineligible. In such cases, the entire fees will be forfeited.

6 Applicants are required to submit all the requisite annexures with the application form; lack of relevant annexure may lead to cancellation of application form and fees forfeited.”

In spite of the aforesaid explicit and unambiguous stipulation some of the Medical graduate candidates have not submitted the complete Screening Test applications in accordance with the instructions, these applications are deficient in one or more than one aspect.

NBE has sent communication to the candidates calling them to remove their deficiencies. Some applicants have removed their deficiencies and their admit cards have been issued. Still large number of applicants have not acted on the communications and their admit cards could not be issued. NBE could have rejected these applications out rightly.

However, in the interest of candidates, NBE has decided to give an opportunity to the candidates, apparently suffering from curable defects, by granting them an opportunity to appear in the screening test to be held on 28th September 2008 provisionally but their result will be withheld. It is categorically and specifically made clear that NBE has not condoned any requirement as prescribed by regulations (framed under section 33 of the Indian Medical Council Act 1956 with the previous sanction of the Central Government) of any nature whatsoever, in any manner. It is also made clear that result of all such provisional candidates would be declared only upon their submission of requisite documents or by removing the said deficiency.
