Subject: Extension of last date for submission of Thesis

Kind attn. : DNB/DrNB trainees and Accredited Institutions

As per NBEMS norms, writing a Thesis is essential for all DNB/DrNB trainees towards the partial fulfillment of eligibility Board (DNB) and Doctorate of National Board (DrNB) Degree.

2. It is mandatory for DNB/DrNB trainees who are eligible to appear in a forthcoming DNB/DrNB Final Theory Examination to submit their Theses for Assessment at least six months prior to the Examination.

3. Meanwhile, NBEMS has been receiving numerous requests both from trainees and Accredited Institutions to extend the last date for submission of Thesis, as trainees have not been able to complete thesis due to COVID-19 lockdown restrictions.

4. In the light of the above, and due to COVID-19 pandemic, the last date of submission of Thesis by DNB/DrNB trainees who are eligible to appear in the DNB/DrNB Final Theory Examination - June 2022 session, is extended by period of two months from 31st December 2021, i.e., till the **28th of February 2022**.

5. All DNB/DrNB trainees and accredited institutions are informed that, no further extension shall be given, and those trainees who do not submit their Thesis by the 28th of February 2022, shall be rendered 'ineligible' to appear in the DNB/DrNB Final Theory Examination – June 2022.

6. For any query related to Thesis, please contact to NBEMS at 011-45593000 or write to NBEMS at thesis@natboard.edu.in.
